

CORANGAMITE

UNIVERSITY OF THE THIRD AGE

Keeping minds and bodies active

NEWSLETTER – OCTOBER 2018

The U3A Committee hopes you are enjoying the events that you have attended so far. Lots of activities and lots of fellowship!

An up-dated courses calendar for October and November is included in this Newsletter.

PLEASE NOTE: The information and personal details provided in this newsletter are for the use of U3A Corangamite Members and affiliates only and the information given should not be disseminated to any third party unless permission has been approved by the U3A Corangamite Committee.

A WORD FROM THE PRESIDENT

My goodness how quickly the year is going. We are down to our final two months of the year as we don't have programs in December. This also means that the U3A Corangamite Committee can begin to plan and prepare for 2019.

We would certainly hope that we could keep our number of members, currently 155, and indeed grow the membership. For this to happen, we really require your help and assistance.

Firstly we would like you to spread the word about U3A and if you can bring a friend to one of our activities as a guest this year and indeed bring them to our AGM, Enrolment and Course Enrolment day next year which will be on **FRIDAY 1st FEBRUARY 2019** at the Terang Civic Hall.

As well we are in need of Committee people who can assist with course development and we are also looking for members who don't want to be a Committee person but who may volunteer to take a program. An example of this is Industry Visits. We've had several requests but just need some one to take it on board and indeed share the load.

Our final social function is our End of Year function which will be on **Wednesday 14th November @ 12.30 at the Cobden Golf Club**. It will be an order off the menu but we will require numbers by Friday November 9th so the Golf Club can plan ahead. Rumour has it that our Singing Group will again perform for us. Who could forget their wonderful rendition of the Twelve Days of Christmas last year!!

Our Travel Tales has been a successful program this year and we now have our own computer projectors, laptop, microphone and speakers. It has frustrated us with borrowed equipment and I'm sure some of you as well. This equipment can be used for any of our programs now which is really great.

Our new programs are listed later in this newsletter and we hope you enjoy them and the ones you continue to support.

Please remember we are sending through the U3A Colac-Otway newsletter, the Camperdown Community House newsletter and the Live Well Project newsletter so hopefully you can continue to keep very active in so many ways.

So remember, we never stop learning, enjoying and laughing together!!!!
